

## Inspection Report

### Vehicle Information

|                       |                   |                       |        |
|-----------------------|-------------------|-----------------------|--------|
| <b>VIN</b>            | 1FMCUOGX4DUB94188 | <b>Year</b>           | 2013   |
| <b>Make</b>           | Ford              | <b>Model</b>          | Escape |
| <b>Engine</b>         | 2.0L I4           | <b>Transmission</b>   | Auto   |
| <b>Exterior Color</b> | Grey              | <b>Interior Color</b> | Black  |
| <b>Odometer</b>       | 133444            |                       |        |

### Documentation

|                           |      |                                 |  |
|---------------------------|------|---------------------------------|--|
| <b>Owners Manual</b>      | Okay | <b>Owners Manual Notes</b>      |  |
| <b>Maintenance Record</b> | Okay | <b>Maintenance Record Notes</b> |  |
| <b>Vehicle Keys</b>       | Okay | <b>Vehicle Keys Notes</b>       |  |
| <b>Verify VIN Numbers</b> | Okay | <b>Verify VIN Numbers Notes</b> |  |

### Exterior of Vehicle (Front)

|                          |      |                                |   |
|--------------------------|------|--------------------------------|---|
| <b>Front Bumper</b>      | Okay | <b>Front Bumper Notes</b>      | There are light scratches on the bumper |
| <b>Front Head Lights</b> | Okay | <b>Front Head Lights Notes</b> |   |
| <b>Fog Lights</b>        | Okay | <b>Fog Lights Notes</b>        |   |
| <b>Turn Signals</b>      | Okay | <b>Turn Signals Notes</b>      |   |
| <b>Park Sensors</b>      | Okay | <b>Park Sensors Notes</b>      | NA                                      |
| <b>Grille Condition</b>  | Okay | <b>Grille Condition Notes</b>  |   |

|                                      |      |  |                       |
|--------------------------------------|------|--|-----------------------|
| <b>Front Hood</b>                    | Okay | <b>Front Hood Notes</b>                    | There is a small dent |
| <b>Front End Alignment of Panels</b> | Okay | <b>Front End Alignment of Panels Notes</b> |                       |
| <b>Windshield</b>                    | Okay | <b>Windshield Notes</b>                    |                       |
| <b>Windshield Wipers and Arm</b>     | Okay | <b>Windshield Wipers and Arm Notes</b>     |                       |

### Exterior of Vehicle (Left & Right)

|                                      |      |  |                                    |
|--------------------------------------|------|--|------------------------------------|
| <b>Fender Alignment and Paint</b>    | Okay | <b>Fender Alignment and Paint Notes</b>    | The driver's side has a small dent |
| <b>Marker Lights</b>                 | Okay | <b>Marker Lights Notes</b>                 |                                    |
| <b>A Pillars</b>                     | Okay | <b>A Pillars Notes</b>                     |                                    |
| <b>VIN Plate</b>                     | Okay | <b>VIN Plate Notes</b>                     |                                    |
| <b>Side Mirror Housings/ Glasses</b> | Okay | <b>Side Mirror Housings/ Glasses Notes</b> |                                    |
| <b>Exterior Door Handles</b>         | Okay | <b>Exterior Door Handles Notes</b>         |                                    |
| <b>Door Alignment and Hinge</b>      | Okay | <b>Door Alignment and Hinge Notes</b>      |                                    |
| <b>Window Glass</b>                  | Okay | <b>Window Glass Notes</b>                  |                                    |
| <b>Door Seals</b>                    | Okay | <b>Door Seals Notes</b>                    |                                    |
| <b>Side Moldings/ Rocker Panels</b>  | Okay | <b>Side Moldings/ Rocker Panels Notes</b>  |                                    |
| <b>B Pillars</b>                     | Okay | <b>B Pillars Notes</b>                     |                                    |
| <b>Window Tream</b>                  | Okay | <b>Window Tream Notes</b>                  |                                    |
| <b>Sill Plate</b>                    | Okay | <b>Sill Plate Notes</b>                    |                                    |
| <b>Child Lock</b>                    | Okay | <b>Child Lock Notes</b>                    |                                    |
| <b>C Pillars</b>                     | Okay | <b>C Pillars Notes</b>                     |                                    |
| <b>Quarter Windows</b>               | Okay | <b>Quarter Windows Notes</b>               |                                    |

|   |      |   |  |
|---|------|---|--|
| <b>Quarter Panels Alignment and Paint</b> | Okay | <b>Quarter Panels Alignment and Paint Notes</b> |  |
|---|------|---|--|

### Roof Exterior

|                               |      |                                     |    |
|-------------------------------|------|-------------------------------------|----|
| <b>Sunroof Glass and Seal</b> | Okay | <b>Sunroof Glass and Seal Notes</b> | NA |
| <b>Sunroof Panel</b>          | Okay | <b>Sunroof Panel Notes</b>          |    |
| <b>Sunroof Antenna</b>        | Okay | <b>Sunroof Antenna Notes</b>        |    |
| <b>Luggage Rack</b>           | Okay | <b>Luggage Rack Notes</b>           |    |
| <b>Convertible Top</b>        | Okay | <b>Convertible Top Notes</b>        | NA |

### Rear Exterior

|   |                    |   |  |
|---|--------------------|---|--|
| <b>Trunk /Tailgate Paint and Alignment</b>          | Okay               | <b>Trunk /Tailgate Paint and Alignment Notes</b>          |  |
| <b>Rear Window Glass</b>                            | Okay               | <b>Rear Window Glass Notes</b>                            |  |
| <b>Rear Camera</b>                                  | Okay               | <b>Rear Camera Notes</b>                                  |  |
| <b>Trunk Seal</b>                                   | Okay               | <b>Trunk Seal Notes</b>                                   |  |
| <b>Luggage Compartment Condition</b>                | Requires attention | <b>Luggage Compartment Condition Notes</b>                | There is water below the spare. The water is likely leaking through the broken tail lamp |
| <b>Roadside Kit</b>                                 | Okay               | <b>Roadside Kit Notes</b>                                 |  |
| <b>Park Sensors</b>                                 | Okay               | <b>Park Sensors Notes</b>                                 | NA   |
| <b>Rear Tail Lights Reverse Hazards and Parking</b> | Requires attention | <b>Rear Tail Lights Reverse Hazards and Parking Notes</b> | The passenger's side taillamp is broken  |
| <b>Turn Signals and Back Lights</b>                 | Okay               | <b>Turn Signals and Back Lights Notes</b>                 |  |
| <b>License Plate Lights</b>                         | Okay               | <b>License Plate Lights Notes</b>                         |  |

|  |      |  |   |
|--|------|--|---|
| <b>Rear Bumper Paint and Alignment</b> | Okay | <b>Rear Bumper Paint and Alignment Notes</b> | There are scratches on the passenger's side |
| <b>Rear Windshield Wipers and Arm</b>  | Okay | <b>Rear Windshield Wipers and Arm Notes</b>  |   |
| <b>Bumper Flanges</b>                  | Okay | <b>Bumper Flanges Notes</b>                  |   |

## Exterior Summary

|                         |   |
|-------------------------|---|
| <b>Exterior Summary</b> | The vehicle has light scratches and dents |
|-------------------------|---|

## Interior Inspection

|                                      |                    |  |                                       |
|--------------------------------------|--------------------|--|---------------------------------------|
| <b>Service Light</b>                 | Okay               | <b>Service Light Notes</b>                 |                                       |
| <b>Warning Lights Check</b>          | Requires attention | <b>Warning Lights Check Notes</b>          | The tire pressure warning light is on |
| <b>Odors /Mold /Smoke</b>            | Okay               | <b>Odors /Mold /Smoke Notes</b>            |                                       |
| <b>Horn Operation</b>                | Okay               | <b>Horn Operation Notes</b>                |                                       |
| <b>Hazard Lights</b>                 | Okay               | <b>Hazard Lights Notes</b>                 |                                       |
| <b>Sound System Functionality</b>    | Okay               | <b>Sound System Functionality Notes</b>    |                                       |
| <b>Speakers</b>                      | Okay               | <b>Speakers Notes</b>                      |                                       |
| <b>Bluetooth Functionality</b>       | Okay               | <b>Bluetooth Functionality Notes</b>       |                                       |
| <b>HVAC /Blower/ Climate Control</b> | Okay               | <b>HVAC /Blower/ Climate Control Notes</b> |                                       |
| <b>Defroster /Defogger</b>           | Okay               | <b>Defroster /Defogger Notes</b>           |                                       |
| <b>Heater /Seat /Steering</b>        | Okay               | <b>Heater /Seat /Steering Notes</b>        |                                       |
| <b>Window Switches</b>               | Okay               | <b>Window Switches Notes</b>               |                                       |
| <b>Wiper Switches/ Washer Pump</b>   | Okay               | <b>Wiper Switches/ Washer Pump Notes</b>   |                                       |

|                                 |      |                                       |                                 |
|---------------------------------|------|---------------------------------------|---------------------------------|
| <b>Cup Holder</b>               | Okay | <b>Cup Holder Notes</b>               |                                 |
| <b>Center Console</b>           | Okay | <b>Center Console Notes</b>           |                                 |
| <b>Parking Brake</b>            | Okay | <b>Parking Brake Notes</b>            |                                 |
| <b>Sun Visors</b>               | Okay | <b>Sun Visors Notes</b>               |                                 |
| <b>Headliner</b>                | Okay | <b>Headliner Notes</b>                |                                 |
| <b>Seats Upholstery</b>         | Okay | <b>Seats Upholstery Notes</b>         | There are small cigarette burns |
| <b>Seat Functionality</b>       | Okay | <b>Seat Functionality Notes</b>       |                                 |
| <b>Interior Trim</b>            | Okay | <b>Interior Trim Notes</b>            |                                 |
| <b>Carpeting and Floor Mats</b> | Okay | <b>Carpeting and Floor Mats Notes</b> |                                 |

### Engine Compartment & Undercarriage

|  |      |  |  |
|--|------|--|--|
| <b>Hood Support</b>                              | Okay | <b>Hood Support Notes</b>                              |  |
| <b>Paint and Condition In Engine Compartment</b> | Okay | <b>Paint and Condition In Engine Compartment Notes</b> |  |
| <b>Engine Compartment Labels</b>                 | Okay | <b>Engine Compartment Labels Notes</b>                 |  |
| <b>Condition of Engine Covers</b>                | Okay | <b>Condition of Engine Covers Notes</b>                |  |
| <b>Brake Fluid Reservoir and Cap</b>             | Okay | <b>Brake Fluid Reservoir and Cap Notes</b>             |  |
| <b>Brake Master Cylinder /Booster</b>            | Okay | <b>Brake Master Cylinder /Booster Notes</b>            |  |
| <b>Engine Air Filter</b>                         | Okay | <b>Engine Air Filter Notes</b>                         |  |
| <b>Accessory Belts Condition</b>                 | Okay | <b>Accessory Belts Condition Notes</b>                 | There is sticker indicating the timing belt was replaced |

|                                       |                    |   |   |
|---------------------------------------|--------------------|---|---|
| <b>Engine Gasket /Seals</b>           | Okay               | <b>Engine Gasket /Seals Notes</b>           |   |
| <b>Engine Oil Leaks</b>               | Requires attention | <b>Engine Oil Leaks Notes</b>               | There is some oil seepage on the belt side of the motor |
| <b>Radiator and Coolant Hoses</b>     | Okay               | <b>Radiator and Coolant Hoses Notes</b>     |   |
| <b>Water Pump/ Thermostat</b>         | Okay               | <b>Water Pump/ Thermostat Notes</b>         |   |
| <b>Coolant Fan</b>                    | Okay               | <b>Coolant Fan Notes</b>                    |   |
| <b>Coolant Oil Leaks</b>              | Okay               | <b>Coolant Oil Leaks Notes</b>              |   |
| <b>Power Steering Pump /Hoses</b>     | Okay               | <b>Power Steering Pump /Hoses Notes</b>     | NA  |
| <b>Power Steering Leaks</b>           | Okay               | <b>Power Steering Leaks Notes</b>           | NA  |
| <b>AC Compressor /Lines Condenser</b> | Okay               | <b>AC Compressor /Lines Condenser Notes</b> |   |
| <b>Shruts, Shocks and Springs</b>     | Okay               | <b>Shruts, Shocks and Springs Notes</b>     |   |
| <b>CV Joints and Axles</b>            | Okay               | <b>CV Joints and Axles Notes</b>            |   |
| <b>Control Arms</b>                   | Okay               | <b>Control Arms Notes</b>                   |   |
| <b>Ball Joints and Tie Rod</b>        | Okay               | <b>Ball Joints and Tie Rod Notes</b>        |   |
| <b>Exhaust Pipes</b>                  | Okay               | <b>Exhaust Pipes Notes</b>                  |   |
| <b>Differential Leaks</b>             | Okay               | <b>Differential Leaks Notes</b>             |   |
| <b>Deformities /Frame Damage</b>      | Okay               | <b>Deformities /Frame Damage Notes</b>      |   |

### Engine Compartment & Undercarriage Summary

|   |                                     |
|---|-------------------------------------|
| <b>Engine Compartment &amp; Undercarriage Summary</b> | The exhaust heat shield is damaged. |
|---|-------------------------------------|

### Fluid Levels

|                           |                    |                                 |   |
|---------------------------|--------------------|---------------------------------|---|
| <b>Engine Oil</b>         | Okay               | <b>Engine Oil Notes</b>         |   |
| <b>Transmission Fluid</b> | Okay               | <b>Transmission Fluid Notes</b> | NA  |
| <b>Engine Coolant</b>     | Okay               | <b>Engine Coolant Notes</b>     |   |
| <b>Power Steering</b>     | Okay               | <b>Power Steering Notes</b>     | NA  |
| <b>Brake Fluid</b>        | Requires attention | <b>Brake Fluid Notes</b>        | The fluid is dark a fluid flush is needed |
| <b>Washer Fluid</b>       | Okay               | <b>Washer Fluid Notes</b>       |   |

### Test Drive
